REENA KATHERINE S

SATHIYA PRIYA I

The screenshot displays the IBM Cloud console interface within a web browser. The browser's address bar shows the URL `cloud.ibm.com`. The page header includes a search bar with the text "Search resources and products...", navigation links for "Catalog" and "Manage", and a user profile section with the name "Sathiya 91171910406...".

The main content area is titled "For you" and features a horizontal scrollable list of service cards. The first card, "Build", is highlighted in blue and purple, with the text "Explore IBM Cloud with this selection of easy starter tutorials and services." The subsequent cards include:

- Create a custom dashboard**: "Create a shareable dashboard that you can customize with widgets, scope, and your own layout." (Getting started, 3 min)
- Explore IBM Cloud Shell**: "Try a command-driven approach for creating, developing, and deploying a web project." (Getting started, 2 min)
- Build a data lake**: "Create a data lake using Object Storage and query it in its native format with SQL Query and Watson Studio." (Recommended, 1 hr)
- Accelerate delivery of static files**: "Host website assets in Cloud Object Storage, and use a CDN for fast and secure delivery to users around the world." (Recommended, 2 hr)
- Aspera**: "Learn how to use Aspera to move data to and from the cloud." (Recommended)

Below the service cards, there are three main sections:

- User access**: "Enter email addresses below to jump directly into the invite user setup:" with a text input field labeled "Enter up to 100 email addresses".
- News**: "Announcing IBM Cloud Pak for Network Automation Version 2.4", "No Prerequisites for IBM Cloud Certifications", and "IBM Tech Now: October 24, 2022".
- Planned maintenance**: "View all"

The bottom of the screen shows a Windows taskbar with various application icons, the system clock displaying "15:34" on "01-11-2022", and the weather "83°F Cloudy".

PRIYANKA R

The screenshot displays the IBM Cloud console interface. At the top, the browser tabs show multiple instances of 'IBM-EPBL/IBM-P...' and 'IBM Cloud'. The address bar indicates the URL 'cloud.ibm.com'. The main header includes the 'IBM Cloud' logo, a search bar, and navigation links for 'Catalog', 'Manage', and the user profile 'Priyanka Ravichandran'.

The 'For you' section features a horizontal carousel of cards:

- Build**: Explore IBM Cloud with this selection of easy starter tutorials and services.
- Monitor your resources**: Get visibility into the performance and health of your resources. (Getting started: 5 min)
- Set up your IBM Cloud account**: Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources. (Getting started: 10 min)
- Discover the Watson Internet of Things (IoT) Platform**: Use the built-in web console dashboards to monitor your IoT data and analyze it in real time. (Getting started: 10 min)
- Explore tutorials**: Try out a variety of tutorials to get you started with IBM Cloud or help you with more complex scenarios. (Getting started: 10 min)
- IBM P...**: Send re person mobile via a ur. (Recom)

Below the carousel, there are three main sections:

- User access**: Manage users. Enter email addresses below to jump directly into the invite user setup: Enter up to 100 email addresses.
- News**: View all. Announcing IBM Cloud Pak for Network Automation Version 2.4. No Prerequisites for IBM Cloud Certifications. IBM Tech Now: October 24, 2022.
- Planned maintenance**: View all.

The bottom of the screen shows a Windows taskbar with the date '01-11-2022' and time '15:39'.

PRIYA DHARSHINI S

The screenshot displays the IBM Cloud console interface within a web browser. The browser's address bar shows the URL `cloud.ibm.com`. The page header includes the IBM Cloud logo, a search bar, and navigation links for Catalog, Manage, and a user profile. The main content area is titled "For you" and features a horizontal scrollable list of service cards. The first card, "Build", is highlighted with a blue background. Other cards include "Monitor your resources", "Set up your IBM Cloud account", "Build a web app with Watson Speech to Text", "Create a Kubernetes cluster", and "Discover IBM IoT Platform". Each card provides a brief description and a "Getting started" button with an estimated time. Below the scrollable list, there are three sections: "User access" with a "Manage users" link, "News" with a "View all" link, and "Planned maintenance" with a "View all" link. The "User access" section includes a text input field for email addresses. The "News" section lists recent announcements, including "Announcing IBM Cloud Pak for Network Automation Version 2.4" and "No Prerequisites for IBM Cloud Certifications". The "Planned maintenance" section is currently empty. The bottom of the screen shows a Windows taskbar with various application icons and a system tray displaying the date and time as 15:42 on 01-11-2022.
